Dear Sir or Madam,

Transparency is one of the qualities of Unconditional Love. I have nothing to hide. That's why I put everything on my website. It seems that this is not your case, since you are trying to stifle something.

If you think you will intimidate me, it will not work with me. We are all children of God. We were all created equal. No one is above anyone.

The law is based on the laws of God. That's why we swear on the Bible at the courthouse. But the laws were made by man to serve money. And I stopped serving money, a few years ago.

The highest authority is inside each of us, not outside as you claim. So I am only following what my Soul tells me to do.

I have assessed your request, and after consultation with my Soul, I made the following changes to my site: I replaced the words "Healing Workshop" by "Vital Energy Workshop", and to make sure that be clear, I added a note on the schedule page as what I tell people **not to come** to a workshops if they expect to receive a diagnosis or medical treatment, since I am not a doctor, and I do not do diagnostics or medical treatments.

Sometimes we must be mature, when someone else is crying for his toy.

Frankly, I find your request to remove the word "cure" very childish, since it seems you are the only ones who it bothers.

Words are for everyone and should not be reserved for certain people only.

Do we not live in Canada? It seemed to me that it was a free country?? Where is the freedom of expression, if I cannot express myself as I want?

In addition, people are free to come or not at a workshop. I DO NOT FORCE ANYONE. Everyone is free to think and do as he pleases. Not to mention that I do not charge for what I do. So there is no obligation.

I invite you to participate in one or more workshops. Maybe it would make you grow?! I have been looking for scientists who are willing to work with me to prove scientifically the work that I do, FOR SO LONG... anyone interested?? Sincerity is a must.

I am not here to challenge you. I think we should be able to talk man to man, to hear ourselves, and to understand each other, by communicating together, WITHOUT THE NEED FOR JUSTICE, and THREATS. Where's your HUMANITY?

But if you want to play this game, it's your choice, but you will play alone. For I do not embark in this game.

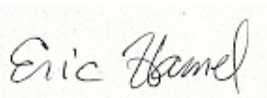

I hereby notify you in advance that you will lose your time, money and energy, if you continue in this direction. For I have nothing to lose. I have no money, no bank account. I have a lot of time because I do not work. And I have a lot of energy because I know how to get it!

If your goal is to make me stop any activity, you are notified also, that nothing can stop me. Even if I am called in court, I will not be present. Even if you give me fines, they will never be paid. Even if you come to take me to jail, I will continue my work in prison. The only thing that could stop me is if you kill me.

Thanks to Denis Lévesque and J.E., even more people know me and recognize the work that I do. Many wrote me to tell me they had not fallen into the trap of the sting of J.E. So if anything happen to me, know that these people are already aware of the situation. Thanks to J.E. and Denis Lévesque!

Have I answered your request? I remain open to your requests, and I ask you to use the reference number of my file in order to accelerate the response in the future.

Please accept, Sir, Madam, my upmost sincere salutations,

Eric Hamel  
Liberator
